

# NEWSOME Marketing Group

## WHAT WE ARE

Newsome Marketing Group is a boutique marketing firm offering clients online web marketing services including professional web design, email marketing, and social media management.

### WEB DESIGN

Looking for a fresh new website design or don't know where to start?

Newsome Marketing Group works to create a customized, effective and professional looking website that meets the needs of each client.

### EMAIL MARKETING

Reach a larger client base by promoting your company through email marketing. Newsome Marketing Group can build out a personalized email template, manage your database, and create and send emails on your behalf.

### SOCIAL MEDIA

Newsome Marketing Group tailors a social media plan that is customized to send messages to your target audience. Increase brand awareness, build your reputation and gain the trust of your audience through thoughtful, tailored messages via social media channels.
